

Financial Information

Estimated Summary of Expenses

Maranatha College is a ministry, not a business; therefore, Maranatha strives to offer an affordable Christian education to all Christians around the world. For students who demonstrate financial need, Maranatha College offers scholarships financed by supporters of the college. The link for the scholarship form is <http://www.maranathacollege.org/scholar/default.asp>.

Fees and Procedures

Maranatha College operates on minimum costs and extremely low tuitions so that even students of modest means may obtain a quality education in Bible and practical training for ministry. Total tuition income from students represents a small portion of that required to meet the operating costs of the college. Without gifts from people vitally interested in Bible-based education, Maranatha College could not provide ministry training at such low fees.

Schedule of Charges

Maranatha College has two modes of tuition: one for online courses and the other for regional classes, i.e., classes that are taught “live” on campus, in a church, or in a ministry retreat. Maranatha College reserves the right to make changes in the provision of this section without giving advance notice if such should become necessary.

Refunds on Withdrawal

A student who decides to withdraw from the college, or from a course, will not receive a refund unless the student's circumstance for withdrawing is approved by the college board of regents.
